## AS1000HAT ARC FLASH FACE SHIELD

Thank you for purchasing your new AS1000HAT from Salisbury by Honeywell. At Salisbury, our foremost concern is your safety so we have included this sheet as a guide to ensure you are protected while you are working.

### INSIDE THE BOX:

- Upon opening the box, you will find 1 - SA79R03 Hard Hat with Ratchet, 1 - AS1000FS Protective Shield, 1 - ASCP Chin Cup & 1 - ASSLB Bracket

### Features of Salisbury AS1000HAT Arc Flash Face Shield:

- ISO 9002 Registered Quality
- ATPV 10 cal/cm<sup>2</sup> Arc Rating when used with chin cup
- .06" Thick 7.5" x 20" Viewing Area
- Extra Light Tint
- Anti-Fog

### INSTRUCTIONS FOR ASSEMBLY:

- Take ASSLB Bracket with Salisbury Logo facing up on brim of hard hat and insert black clips into side accessory slots of hard hat. (Clips will fit snug into accessory slots.)
- Turn all pins on bracket horizontally and center Protective Shield (long side on top) over pins. Secure Protective Shield by rotating pins vertically.
- Attach Chin Cup onto the bottom of Protective Shield and as in step 2, rotate pins vertically.

### CLEANING & MAINTENANCE:

- *Clean and inspect after use. Clean with a damp cloth unless heavily soiled. Should further cleaning be required, clean with mild, unscented, non-abrasive soap and water, pat dry. Disassemble if required, for cleaning or inspection. Inspect and replace any damaged or worn components.*

### WARNING:

**Failure to follow these instructions can result in permanent impairment of sight or other serious personal injury.**

*Clips will fit snug into accessory slots.*
