

# SARTK

## SMALL ARMS REPAIRMAN TOOL KIT

OUR SMALL ARMS REPAIRMAN TOOL KIT (SARTK) IS ORGANIZED FOR FRONT LINE MAINTENANCE & RAPID FIELD REPAIR OF SMALL ARMS. DESIGNED FOR MILITARY-GRADE RELIABILITY, THE SARTK HELPS MAINTAIN MISSION-CRITICAL WEAPONS WITH MAXIMUM EFFICIENCY & MINIMAL DOWNTIME. HOUSED IN A DURABLE WHEELED CASE, THIS KIT NOT ONLY ENSURES TOOL ORGANIZATION & READINESS DURING TRANSPORT IT PROVIDES STORAGE DURING RUGGED CONDITIONS OR ROUGH HANDLING.

### WHAT'S IN A SARTK?

Our kit consists of a wheeled tool chest with a prescribed load of industrial-grade tools & other products necessary to provide rapid inventory capability & retention. Equipped with a tool locator system which provides the user tool positions to locate the required tool located in each custom foam-fitted drawer.

Note: Kit contents vary based on availability & customer specifications. Ask about our custom weapons mounts!

### FEATURES & BENEFITS:
